CONTRIBUTION FOR OPERATION USO CARE PACKAGE

The United Service Organizations (USO) has created Operation USO Care Package to boost morale among troops participating in Operation Enduring Freedom. These care packages contain an assortment of items that our military service members have specifically requested, such as 100 minute prepaid international calling cards, disposable cameras, toiletries and sunscreen. Additionally, the care packages include a personal message from the American public in support of their mission and sacrifice.

Contribution Information

Make a donation of *$25 per Operation USO Care Package* for a deployed service member. Include your greeting to a service member with your contribution. USO volunteers will transfer your message onto an official Operation USO Care Package post card. A care package including your message of support will be distributed to a service member supporting the war on terrorism.
